

## NDIS Information and Access: Roma

### Do you want to know about the NDIS?

Local Area Coordinators from the Toowoomba NDIS Partner, Carers Queensland office are in the community providing information, answering questions and supporting people to access the NDIS. These free sessions will be useful to anyone who may potentially become a participant of the Scheme, or their supports. Some of the topics to be covered will include:

- What is the NDIS?
- How could the NDIS benefit me?
- How do I apply for access to the NDIS?
